

## Dry White Table Wines 2017 Vintage - quantity 600 litres

### Class 1 - Riesling

*Judges Comment:*

*Very underwhelming with high acid that out sour and tart mouthfeel. Fruit weight lacking and high sulphur levels added a harshness to the back palate. The balance of acid and sweetness needs to be addressed.*

Class 7 - Merlot

1	2016 Twisted River Wines Merlot	MER	Bronze
---	---------------------------------	-----	--------

### Class 8 - Cabernet Sauvignon

*Judges Comment:*

*Class as a whole looked older than their vintage. A good level of cool climate fruit spectrum. However at this stage as young cabernets not quite in balance - looking a little disjointed.*

1	2016 Mt Jagged Wines "Twisted Mischief" Cabernet Sauvignon	CAB	
2	2016 After Hours Wine Cabernet Sauvignon	CAB	Bronze
3	2016 Sidewood Estate Stable Hill Masked Knight Cabernet Sauvignon	CAB

8	2016 Evans & Tate Breathing Space Cabernet Sauvignon	CAB	Bronze

### Class 9 - Shiraz

*Judges Comment:*

*Pleasing to see some freshness and vibrancy in this young shiraz class. Disappointingly no Golds but several solid Silvers. Wines that did not medal were either not in balance or finished, very dry on the back palate.*

## Class 10 - Shiraz Viognier blends

### *Judges Comment:*

## Class 11 - Alternative varieties and blends

### *Judges Comment:*

#### Class 14 - Riesling

#### Class 15 - Sauvignon Blanc and blends

*Judges Comment:*

*Diverse range of Sauv Blanc, use of oak needs monitoring, Mercaptans can't dominate and sweaty fruit profile distracted from youthfulness. Varietal definition and balance rewarded with medals.*

## Class 16 - Pinot Gris, Pinot Grigio

### *Judges Comment:*

*An exciting and diverse range across both Pinot Classes. Gold stood out from class 3 and Trophy Judge off was very close. A range of styles were rewarded and should be used to benchmark, technical faults including Brett, VA and early oxidation needs addressing. Judicious use of oak should be considered for this variety*

9	2016 Galli Estate Pinot Grigio	PG	
10	2016 Fox Gordon Charlottes Web Pinot Grigio	PG	

## Class 17 - Chardonnay

### *Judges Comment:*

*A really strong and exciting class across a range of cool climate regions. The Gold medal wines jumped out of the class with purity of fruit, seamless oak integration, beautiful texture and length that carries on and on. Judges excited by the outcome. Under-performing wines showed an imbalance between oak regime and fruit profile weight. Care needs to be taken with ratio of new oak and time in oak.*

### Class 18 - Other Dry White varieties and/or blends

#### *Judges Comment:*

*Savagnin was just lovely and engaging on nose and palate. Some pleasing varietal definition, however Phenolics over-rode the fruit in too many wines. Premature ageing in a few Semillon.*

Class 21 - Cabernet Sauvignon

*Judges Comment:*

*Strong class with minimal technical faults. Early development noted on a number of 2014 and 2015 wines. Best wines showed great varietal definition, balance of tannin and acid and purity of fruit with lovely freshness. Pleasing to see judicious use of oak that matched fruit ripeness and weight.*
